El Lissitzky - Design

by John Milner

Having first trained in engineering and architecture and later becoming a painter and illustrator, his creative activity ranged across disciplines. This he called 'the interchange station between painting and architecture', and it made him enormously influential – as a painter, graphic designer, teacher, propagandist, exhibition designer, and also as an architectural theorist.

Format: Hardback. Size: 216 x 142mm. Pages: 96. Illustrations: 6 in black & white and 80 in colour. ISBN: 9781851496198. Published by: Antique Collectors' Club Ltd. Price: £12.50. Website: antiquecollectorsclub.com
